The Bulls had an outstanding year in football, compiling an impressive 7-3 record and ending the year tied for the runner-up spot in district 11-3A. Pewitt displayed one of the most tenacious defenses in the district, holding many opponents scoreless while also holding many teams to double-digit yardage figures. The offense would not be outdone, however, as it rolled up impressive yardage numbers as well as high point totals behind a superb offensive line as well as a powerful back field. Pewitt was only outdone by district champion Daingerfield in the all-district picks, as quarterback Artis Whetstone, running back Marcell Lewis, and tackle Lance Shepherd received first team honors on offense while also receiving second team defensive honors. Tight end Jeff Riner, guard Marty Munkres, and running back James Boyd were chosen as second team offensive members. Anthony Johnson also received first team defensive recognition while Jerome Jones was chosen for the second team. Guard John Clayton and linebacker Rodnick Davis were also singled out for honorable mention awards. Coaches, players, as well as fans have a lot to look forward to next year as Pewitt will no doubt again be a contender for the district title.

Graduation hit the ranks of Pewitt's Brahmaette Basketball team hard. With only three players returning with varsity expenence, Coach Jerry Dockan had his work cut out for him. Soliciting help from the freshman and sophomore classes, returning Senior Lori Tomberlain, Junior Jessie Green and Sophomore Paula Johnson put logether a 7-17 record. Though the record does not show many wins, the team had some near losses, such as losing to Avinger 33-38, 23-25, and 22-24. Also the Brahmaettes lost to Daingerfield by two and four points in games that went into overtime.

Pewilt's team competed in the Queen City, Hooks, and Pewitt tournaments, taking a third place trophy at Hooks. Pewilt finished district competition with a 4-10 slate. Johnson, averaging 15.86 points per game, earned the title of Sophomore of the Year in District 11-3A. Green, Tomberlain and Sondra Thomas received Honorable Mention. Rounding out the team were sophomore Rita Shepherd and freshman Leslie Bryant, Yolanda Knox, and Jennifer Traylor. BASEBAI

It was an up and down year for the Bulls as they ended the '85 season with a record of seven wins and seven loses which earned them a third place slot in District 11-3A. Early in the year, the Brahmas were cut to ten players but still managed one of the best finishes that a Pewitt baseball team has ever had in District play as well as earning consolation trophies in two tournaments. Several members of the Brahma squad received All District honors and were very deserving in their efforts. Senior Marty Munkres was chosen as a first team first baseman while John Meade was selected to first team outfield. Second team members included senior Kurt Hall at the pitching spot and John Clayton receiving honors at third base. Todd Henson and J.C. Anderson were given honorable mention awards for their steady play at second base and shortstop.

Anthony Johnson established new school records in the squat at 555 lbs., in total weight lifted at 1450 lbs., and a new school and state record in the deadlift at 610 lbs. Reginald King placed 5th in state competition, while Michael Mason nailed down 4th place honors. A host of other fine team members contributed to the most successful of seasons.

The 1984-85 annual staff worked diligently to turn out the '85 Roundup. Through ups and downs, missed deadlines and a shortage of pictures, the staff stuck together to turn out what we think is one of the best Pewitt annuals ever. I would like to thank the staff - Steven Merritt, Mark Munkres, Kimberly Johnson, Lori Smith, Michelle Vissering, and Wendy Roberts for their work and most of all Miss Myers for her support.

Thanks also to Morris Craig of the Monitor for his sports and graduation pictures and Bob Runyon and Jeff Hanan of the Mt. Pleasant Daily Tribune for their sports coverage - without these people, we would have been in tough shape.

I hope this yearbook holds as many memories for you as it does for me.
